

DUAL CREDIT Information sheet (Trades) 2025-2026:

SkilledTradesBC and the BC Ministry of Education and Child Care (ECC) have partnered to provide funding for high school students to complete their technical trades training while still in school.

Through this initiative, students can earn credits toward their high school diploma **and** complete at least one level of technical training by participating in trades classes offered at local high schools, post-secondary institutions, or SkilledTradesBC-certified training providers.

The **Northwest Trades & Employment Training Centre (NTETC – School District 82)** collaborates with **Coast Mountains College (CMTN)** and the **Piping Industry College (PIC)** to deliver this dual credit program. To successfully pass a trades program, students must achieve a **minimum of 70%**. However, the **high school credit portion** of the program requires only a **50% pass rate**.

Tuition is covered by the School District, but students are responsible for the cost of **classroom supplies (including books), tools, and required personal protective equipment (PPE)**. These fees are listed on the Coast Mountain College website: <https://coastmountaincollege.ca>

*DATES BELOW CAN CHANGE AS THEY ARE COLLEGE OFFERINGS)

Trade	Start Date	Finish Date	Location	College	School District pays	High school elective courses
Automotive	Sept. 2, 2025	April. 10, 2026	Terrace	CMTN	3569.16	7 (28 credits)
Carpentry (Fall)	Sept. 2, 2025	Jan. 30, 2026	Terrace	CMTN	2944.28	6 (24 credits)
Carpentry (Spring)	Feb. 2, 2026	June 19, 2026	Hazelton	CMTN	2944.28	6 (24 credits)
